

Dinosaur Gallery Activity

NEOVENATOR

How much do you know about dinosaurs?

What do you think the word 'dinosaur' means?
You can find out in the gallery. In fact, the museum has all different sorts of creatures with incredible names for you to find out about.

As you look around the museum, have a go at reading out loud the names of some of the interesting creatures you see.

Are some of the names difficult to read?

Do you have a favourite name?

Why not have a go at making up your own name for something you see?

Go and find the dinosaur skeleton on this postcard in the gallery and find out all that you can about it.

What is the dinosaur called?

What does its name mean?

In which period did it live?

What did it eat?
What clues tell you your answer?

Can you see claws on its feet and arms?
What do you think they were used for?

How do you think it moved around?
Could it run? Was it a fast or a slow mover?
